

Insect Killing Soap Derived from Neem

24 fl. oz. Concentrate

Instructions:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Directions for Use:

Mix 3-1/2 oz per gallon (or 2 Tbsp. per quart.)

SPRAY when insects first appear or damage is noticed.

Thoroughly spray all infested areas to the point of runoff, hitting insects directly with insecticide spray where possible. Apply weekly as needed (repeat application after 2-3 days to control Aphids and Mealybugs.) Can be used right up to the day of harvest.

For Use on Vegetable including:

Asparagus, beans, beets, broccoli, cabbage, cucumbers, eggplants, lettuce, peas, peppers, potatoes, radishes, spinach, squash & tomatoes.

For Use on Flowers & Bedding Plants (indoors and outdoors) including:

Foliage plants, roses & succulents.

For Use on Fruits & Nuts Including: Apples, blackberries, cherries, cranberries, English walnuts, grapes, grapefruits, lemons, melons, oranges, peaches, pears, pecans, plums & strawberries.

For Use on Wood Landscape Shrubs & Trees Including:

Fir trees & evergreens.

Kills: Adelgids, aphids, cabbageworms, earwigs, flea beetles, lace bugs, leafhoppers, mealybugs, mites, plant bugs, psyllids, rose slugs, sawfly larvae, scale insects, squash bugs, stink bugs, tent caterpillars, thrips & whitefly.

Do Not Use on new transplants, unrooted cuttings or plants stressed by drought. Not recommended for poinsettias.

Avoid spraying in full sun when temperatures exceed 90° F. Do not apply through any type of irrigation system. Do not spray fruit trees when blooms are present. If wilting occurs within a few hours of spraying, rinse with a spray of fresh water.

Protect pollinating insects: unless flowers are the target of pest species, avoid spray treatments when plants are in full bloom.

PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if inhaled. Causes moderate eye and skin irritation. Avoid contact with skin, eyes or clothing or breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Flush eye with plenty of water. Call physician if irritation persists.

If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If Inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS

This product may be hazardous to aquatic invertebrates. Cover aquarium before spraying. Do not apply directly to water.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

Storage: Store unused material tightly closed, in original container only.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

Container Disposal: One Gallon or Less: Do not reuse empty container. Rinse container thoroughly before discarding. Securely wrap in several layers of newspaper and discard in trash.

NOTE:

Buyer assumes all responsibility for safety and use not in accordance with directions.

Woodstream Corp and its subsidiaries will not accept liability for damage or injury resulting from use not in accordance with label instructions.
