

Model 5300 Squirrel and Raccoon Repellent

- Repels by odor and taste
- Protects gardens, garbage, lawns and birdfeeders
- Ready-to-use

Active Ingredients:

- Allyl Isothiocyanate .216% (from essential oil of mustard)
- Capsaicin and related Capsaicinoids .042% (Oleoresin of Capsicum)

Caution: Keep out of reach of children.

Directions for use: Shake well before using.

Use Restrictions: For outdoor use only will stain fabric. Do not use where vegetable oil would be undesirable, such as car finishers, home sidings or screens. May stain concrete. Spray inconspicuous area to test. Animals will be repelled at the point of contact. It is important to cover entire area to be protected in each application.

Bird Feeders: To discourage the raiding of bird feeders by squirrels, wet area around bird feeder, including pole, tree limbs, trunk and leaves. Use spray setting for feeder and spray setting for all other areas. Apply 0.10 oz. (approx. 3 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Landscaped Areas: To discourage digging in landscaped areas, best results are achieved when product is applied to existing bark mulch. Wet entire area to be protected, especially outer perimeter. Use stream setting. Apply 0.20 oz. (approx. 5 full trigger sprays) per square foot. Repeat as needed.

Garbage Bags: To reduce frequent tearing of garbage bags by raccoons, spray entire bag thoroughly, including the bottom. Use spray setting. You may put trash out up to 36 hours before pick up.

Lawn and Gardens: To discourage unwanted raccoons from entering a lawn or garden, spray in a five foot wide perimeter for border protection. Use spray setting. Apply 0.10 oz. (approx 3 full trigger sprays) per square foot. Reapply every 7 to 10 days.

Caution: Avoid contact with skin or eyes. May cause burning sensation to skin, eyes or nose due to Capsicum Oleoresin.

Statement of practical treatment: If on skin, wash with soap and water. If in eyes, flush with plenty of water. If swallowed, burning sensation will occur, mostly in throat. Drink plenty of water. Get medical attention if irritation persists. Do not spray directly on humans or animals. Do not spray directly on humans or pets.

Storage and Disposal: Store only in original container in a dry place inaccessible to children and pets. Do not reuse empty container. Rinse thoroughly. Securely wrap in newspaper and discard in trash.
